

Johan and Naomi Langenberg made a radical change: God sent them to Telemark in order to continue their work of supporting streetchildren in Africa.

Thanksgiving: Johan and Naomi have been driving back and forth around the building several times before they finally arrived at the thanksgiving party in the vision café.

Testimony:

He owned an erotic club in Utrecht and got to know the Lord in a special way. She was a Messianic Jew, but she did not behave like one. Then they found each other and life took a special turn.

Johan and Naomi made a radical turn:

God called them to Telemark with a heart for Africa.

After a Godly vision and several confirmations (30+) Johan and Naomi left their home country behind and they moved to a small village in Telemark. They live remote in the town Fjågesund, that belongs to the municipality Kviteseid. From there they manage "Calling From God": Gods Calling with which they have been able to offer a house and a family to 9.714 children so far.

We have a calling from God to support Orphans and the streetchildren in Rwanda and Tanzania. Beside that it is Gods plan to:

- 1) Share testimonies about the Goodness of God and to lead people to Him.
- 2) Travel through Norway to visit churches and organisations in order to tell them about Calling From God. Johan: we pray that many will support us, so we can help many children in Africa and in the whole world.
- 3) Encourage the Christians
- 4) Pray for the sick

Johan and Naomi have travelled for 2.5 hours to get from Fjågesund to Drammen. The young couple followed the call of God when moving there. They left the big city in the Netherlands for this small village with 60 inhabitants, 18 kilometers away from the first store.

MESSIANIC-JEWISH BACKGROUND

They don't hide that it was a difficult change. It was not their own decision, but God decided for them. Naomi tells me that they moved october last year (2020). That winter there was a lot of snow and it was freezing, about -18. She prefers sun, beach and warm summer weather, but she likes Telemark as well. She was born and raised in the southern part of the Netherlands, where she studied in the university as well. Naomi studied business administration and she had a well paid job when she met Johan.

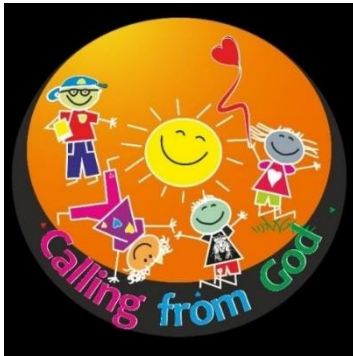

NEW AGE

She tells me that she is Israëli, Messianic Jewish from her fathers side. Naomi was not really interested in Christianity: I was young and I just lived my life. There were many fun things and I tried my best at school. She strongly felt that there had to be more in life though. It started with new age. When she moved to Amsterdam for her job she lived in an environment with many Africans. They often are more spiritual than we are, according to Naomi.

On a certain day she was walking towards a store with a smile on her face, when she was approached by two colored men. Naomi: they asked me why I smiled and whether I had seen Jesus. She told them about her background and she told them that she believed in God, but that she did not have so much feeling with Jesus.

SHE STARTED TO PRAY TO GOD

The men invited her for their church service. She was touched, but afterwards life went back to normal. In that period Naomi experienced difficult moments and she asked God to send somebody to lead her. She bought an apartment and she moved to another part of Amsterdam. She did not know that Johan Langenberg lived 300 meters away from her. He was a Christian on fire: in the beginning almost too intense for Naomi.

LOGO:

their mission is to provide a new life for the street children together with the Lord Jesus Christ.

The evening (june 2018) they met, was very special; both were walking around the water. Romantic, isn't it?, Naomi says with a smile.

Johan and Naomi ask the journalist to guess their age, because people think they are around the same age. That is not the case though.

Naomi reveals that she is 32 years old and that Johan is 52. This is a love story with an age difference of 20 years. They got married in 2019.

THE EROTIC CLUB

Johan tells about his background. He had been living in darkness for a long time, far away from God. When he grew up, his grandmother was the only one who read the bible. His grandfather was not open for it. Johan tells about his erotic club in Utrecht and his business in sex articles. One day he visited a Polish customer, who was a prostitute. She was a prostitute of 60+ and she was always buying expensive clothes, condoms and other materials. Johan had seen that she was wearing a cross around her neck.

SURRENDER TO GOD

The lady told him that he did not belong there and that he had to pray. Johan asked: to whom? She told him that he would find out. Johan: At a certain moment I had been having worries about the rent for a while. Nobody knew about this. I rented a big storehouse. On a certain evening it started to rain and I screamed to God: are you there? Show yourself! Then suddenly there was strong thunder, with lightning and heavy rain.

Johan screamed to God and he told him that this was not what he needed: Johan needed money. In 15 minutes he was called by customers and he made a lot of money. He remembers that he was woken up by a soft voice at three in the night. "Johan, count your money", was the message. He was alone in the room. It was exactly the amount of the rent. I fell on my knees and I told the Lord: "here I am, do whatever you want".

After this it took another six years before Johan read a bible and before he entered a church. He made an agreement with the Lord; everybody who hears my voice and everybody who looks in my eyes will come closer to you. It took me six years, don't let that happen to others. Use me for your name, honor and glory. God used a Brazilian woman to get me to a church. I was the only white person there. When I entered the church, the pastor came to me and he told me that i was an answer to his prayers, after which he gave me his Bible.

Save street children:

So far they have been able to offer a safe family home with many brothers and sisters to 9.714 street children.

MIRACLES STARTED

After prayers God was and still is doing mighty miracles for myself and for others, whom i pray for. An example is a knee injury which He healed in a week without operation. After Johan was baptized he arrived home and he told the Lord: every drop of my blood is yours.

When Johan said YES to the Lord Jesus Christ/Yeshua, the Lord told him that he would work for Him. This became a process of almost two years. On a certain moment the assignments for his company stopped. It was like the phone broke. This meant no more income and, at a certain moment, an empty fridge. Johan told the Lord that his fridge was empty and that the Bible says that He would take care of him. After an hour someone was knocking on the door: Johan's parents with three bags full with groceries, while they did not want to help anymore after Johan said YES to the Lord Jesus Christ/Yeshua.

From 2014 Johan lived almost fully separated from the world. He felt like John the Baptist in the desert. All doors were closed. The Lord was stripping Johan in order to prepare him for serving Him only. After a period the Lord told Johan that he was ready and that he would be a friend and father for many. Johan was looking forward to the way that would turn out.

Johan tells me that he, amongst others, received the gift of healing. Strangers started to call him, so he could pray for them. They had different addictions like alcohol and sex, depressions, suicidal thoughts and/or sicknesses. They were set free and healed in different way: some by phone and some by physical touch. Johan: it depends on the instructions of the Holy Spirit, who is working through me. I am just an instrument in God's hands and I can do nothing by myself. Sometimes Gods heals at once, sometimes it is a longer process.

CALLING FROM GOD (CFG)

Johan and Naomi tell me about the way it started and they describe it as a great miracle from God.

In 2014 the Holy Spirit asked Johan to open a Facebook account, which he did not want. The next morning he saw a big blue/white F and B in the mirror, so he knew he had to obey. He closed the account after several months, because many people had problems but did not listen to his advice. Within a year the Lord again asked him to open an account with the name John the Baptist. From that moment the spiritual battle was going on, but he also received many Friend requests. For each friend request he had to pray. In the beginning God trained him to discern good spirits and bad spirits. A few time he was supporting the wrong people, so he asked the Lord about what was going on, since people were betraying him. The Holy Spirit told him that he had not been praying for it and that he just did it. That is why he had been losing money with the wrong people.

In 2017, subsequently, Johan prayed, fasted and begged the Lord for months to tell him his calling on this earth and he asked him to do so before the end of the year.

On 01.12.2017 Johan met the orphan boy, Jean Pierre, on Facebook Messenger. Jean-Pierre told Johan that he was an answer to his prayers and that he (Jean-Pierre) had a big passion for the Lord Jesus Christ. The Holy Spirit told Johan to ask Jean-Pierre about his situation. Johan: usually I never do that, because Africans always need money and they are always hungry. Not all of them are honest either and they immediately give their bank account. That lesson Johan learned in 2015 and 2016.

Jean-Pierre told Johan that he and his sister did not have parents anymore and that they had been eating mud for three days. The Holy Spirit told Johan to take care of them from that moment. Johan asked his bank account, but he did not have it. After a few days he had an account, but Johan had to push him to share the number; something he never experienced before so, because of this, Johan knew this 24 year old boy was honest.

VISION OF THE STREET CHILDREN

The next day the Lord gave Johan a vision of a big house with hundreds of kids, fruit trees around the house and food on the table. After six months this vision became reality. Agapé family grew every week. God kept sending children in different ways and on different locations. Now, almost four years later, Jean-Pierre and his 500 leaders together are taking care of the hungry street children in Rwanda.

Johan says there are one million Orphans and street children in Rwanda.

“We have a Calling From God to support Orphans and street children and to travel through Norway to speak about the children, to visit churches, to encourage Christians and to pray for the sick. God brings us to the right people on the right time and the right place.”

We now have school buildings and ground, so the families can cultivate their own food. We are preparing Agapé family for 100.000 Orphans and street children.

Shalom Family is located in Rwanda 🇷🇼 as well. This loving family counts 260 children at the moment. They own land so they can cultivate beans, Bananas, rice and corn.

In Rwanda so far 9.714 (25-11-2021) street children have been saved. The total number of street children in that country is one million. Johan: our goal is to save 150 million street children and to give them a good life in a safe family together with the Lord Jesus Christ as their Lord and Savior.

In July 2021 CFG started with Gladness family in Tanzania 🇹🇼. This family counts four children and six students. The student come for daily education and Bible lessons, by leader Bahati, who is a teacher, and his sister Teddy.

VISION OF NORWAY

In May 2020 Johan received a vision: he saw mountains and water and Naomi and himself were swimming. Then they came out of the water on the grass with a brand new cabin. Johan and Naomi thought about Austria or Switzerland. Two days later they were invited by family of Naomi; there was a big LCD screen on the wall with pictures of Norway.

Johan was talking with the uncle of Naomi about the plans to sell the appartement in Weesp and to move to a location where it would be possible to live self-sufficient. The uncle told him that is it not good to do this in the Netherlands, because the ground is not good. Johan asked about a good location and, in one second, he was told this should be Norway.

In October 2020 Johan and Naomi drove to their renting house in Norway. The view from the house is exactly like the vision.

The owner of the house wrote in the advertisement that she was searching for religious people. When Johan and Naomi told her about their background, she told them she had been waiting for them for six years. The Lord had told her six years ago to buy this ground with the houses, because of a man and a woman that would live there in the future in order to evangelize, organize healing services and to host people in need on the property.

They experience that God called them to travel through Norway in order to tell about Calling From God, to visit churches, to encourage Christians and to share Testimonies.

The Holy Spirit of the Lord Jesus Christ will guide them in doing God's plan.
